Terms of Business:

Motion Pro sells to authorized powersports distributors, powersports dealers, specialty manufacturers and retail consumers. We encourage retail consumers to purchase our products from their local powersports dealer where they can see an item before purchasing it, obtain necessary technical advice and information, save shipping charges, and obtain additional services that we cannot offer. We encourage powersports dealers to buy our products from one of our authorized distributors to get the lowest pricing and best terms. Our terms of sale to powersports dealers and retail consumers are FOB San Carlos, California and payment must be made by credit card or money order. We do not issue refunds or accept returns except in case of warranty where we have chosen to issue a refund instead of repair or replacement. Please call us if you cannot find the product you are looking for at your local dealer or favorite distributor.

We accept orders by mail, email, telephone or fax from authorized account holders. Our staff is available during regular business hours (pacific standard time) to answer your technical questions or special application needs. For more information contact your dealer, visit us at www.motionpro.com or give us a call and one of our sales representatives will be happy to answer any questions you may have. Our office hours are 8:00am to 5:00pm PST, Monday through Friday.

Part Numbering:

All Motion Pro cables are individually packed in poly sleeves with a color-coded header card. Each color represents a specific brand or type of cable. Our part number and the type of cable is printed on each header card. In addition, the Motion Pro part number is embossed on each cable to ensure positive identification.

Returns:

Warranty claims must be made directly to Motion Pro, Inc. Please call the Motion Pro Warranty Department during regular business hours (M-F, 8-5 pm, PST) to obtain an RGA number before you return any product to Motion Pro. We will not accept product that is returned without a Motion Pro issued RGA number. After you obtain an RGA number, send the item along with a copy of your purchase receipt to Motion Pro Warranty Dept., 867 American Street, San Carlos, CA 94070. The RGA number must be clearly marked on the outside of the package. Please include a brief description of the problem, your full name, company name, address, and telephone number and email address. We cannot process warranty claims that are made with incomplete information or without a valid RGA number or purchase receipt. Warranties on Motion Pro products are applicable to the original purchaser only and are not transferable. Claimant is responsible for all freight charges to return product to Motion Pro. If upon inspection we find that the product was covered under the Motion Pro warranty for that product we will, at our choice, either repair or replace the item at no charge, freight prepaid. Unless specifically requested, we will not return product sent to us if we determine that the product is no longer covered under the applicable warranty or the damage was due to abuse or neglect. Claimant is responsible for freight charges to return product to claimant that is not covered under warranty.

Motion Pro warranties are limited; see the "Warranty Limitations" for further information.

Warranty Limitations:

As to products where Motion Pro, Inc. is not the manufacturer, Motion Pro, Inc. grants no warranties whatsoever, whether express or implied or statutory, including without limitation, the implied warranties of merchantability and fitness for a particular purpose. The customers' sole remedy is specifically limited to the warranties, if any, granted by the manufacturer of the product. As to product, if any, where Motion Pro, Inc. is the manufacturer, Motion Pro, Inc. guarantees said products for one year from the date of purchase by the customer against defects in materials and workmanship only, and that guarantee is limited to the repair or replacement of that product only. Repair or replacement of any part is subject to Motion Pro, Inc. determining that the part is in fact defective and that the part was not subjected to abuse or excessive use and was properly installed, serviced and maintained. The above is customer's exclusive remedy. The above is expressly in lieu of all warranties express or implied and of all other obligations or liabilities. In no event shall Motion Pro, Inc. be liable for any incidental or consequential damages arising from the breach of any warranties, improper installation, the failure to deliver, delay in delivery, delivery of non-conforming parts, or any other breach of contract or duty. There are no warranties, express or implied, including any warranty of merchantability and fitness for a particular purpose, which extend beyond the face of this statement.

Back Orders:

All back orders should be confirmed directly with your distributor.

Motion Pro® Inc.

Reserves the right to change any and all prices without notice.

Brand Names: The names of Harley-Davidson, Honda, Kawasaki, KTM, Suzuki, Yamaha, Arctic Cat, Polaris, Bombardier, Can-Am and other brands, as well as part numbers are used as a reference only. Our intention is that our products can be used on your customers brand-name vehicles. No products in our catalog are made by or with the permission of Harley-Davidson, Honda, Kawasaki, KTM, Suzuki, Yamaha or any other company that manufactures a vehicle our parts may be used on.

Copyright 2007

Motion Pro®, Inc.: This catalog and any supplement (including photos, line art, product descriptions, and manner of presentation), are the property of Motion Pro®, Inc. and may not be copied or reproduced without the express written permission of Motion Pro®, Inc.

About This Catalog

We completely reorganized our applications catalog in an effort to give you a book that is easier to use, more complete, and one that you can easily update when we publish new information.

Not every dealer carries product for every brand of vehicle so we separated out each brand of vehicle and now publish separate books for each brand.

Within each Model Group we organized applications by product category (Black Vinyl Cables, Armor Coat Cables, Levers, Etc.). Within each product category the applications are listed by model in alphabetical order.

We will update this catalog various times during the year as new applications become available and post the updated catalog on our web site for easy downloading. We will note on our web site which pages have changed so you can either print out the entire catalog or just those pages that have been updated.

We recommend that you place each page in a sheet protector and then put them in a three ring binder. We recommend the Avery® Heavyweight Presentation Sheet Protectors for this purpose (available from your local office supply store).

Thank you for using Motion Pro products.

Motion Pro Custom Cable Shop

cables@motionpro.com

CUSTOM CABLES

- Made in any of our housing materials
- Premium chrome fittings
- Made in the U.S.A.

Can't find cables for your special project bike or custom motorcycle? Let the Motion Pro Custom Cable Shop build what you need. We stock a full range of fittings, housing types, diameters and inner wire sizes to make any cable. Competitive prices, fast turn-around-time (usually 5-7 days) and professional quality service are the hallmarks of the Motion Pro Custom Cable Shop. Give us a call for all your custom cable needs! Phone: 650-594-9600 Fax: 650-594-9610

- Premium chrome fittings
- Clutch cables are available in coil-wound and  housing

BLACKOUT CABLES

Blackout Cables

- Black vinyl housing
- Black fittings perfect for blacked-out bikes
- Clutch cables are only available in  housing

Black Vinyl Cables

- Black vinyl housing
- Premium chrome fittings
- Clutch cables are available in coil-wound and  housing

WHAT IS HOUSING?

Longitudinally-wound  housing will not compress and feel mushy under heavy loads. Recognizing the performance advantage, Harley-Davidson® has equipped all their bikes with longitudinally-wound  clutch cables since 1988. Motion Pro has offered this performance enhancing  technology in our vinyl housing cables for many years, but now incorporates the  technology into our new Armor Coat stainless steel clutch cables as well as our just released Argent  and Blackout clutch cables.

With Motion Pro you get all the good looks without sacrificing performance. The best just got better.

01-0004 (D) Cap Housing End
01-0005 (D) Cap Housing End
01-0006 (D) Cap Housing End

Carburetor Caps

Starting with the 1986 models, Honda changed the carburetor cap on some ATV models to incorporate an internal snap ring to lock the cable in place. O.E. Honda cables for these models include the cap with the cable. Once the cable is inserted into the cap, it cannot be removed. The snap ring in the cap clamps onto the square groove in the cable ferrule and it becomes one part. Motion Pro cables also includes the cap with these cables. Motion Pro adapter part number 01-0019 will allow the use of the earlier model Honda cables with 01-0013 adjuster.

Keihin Carburetor Caps

- 01-0020 **Keihin PE 20/24mm carburetors** 25mm cap I.D.
Fits: ATC 110/125/185/200, 1986 and later
- 01-0021 **Keihin PJ 34/36mm carburetors** 43mm cap I.D.
Fits: ATC250R & TRX250R models
- 01-0022 **Keihin PE 26/28mm carburetors** 30mm cap I.D.
Fits: ATC200X, 86-87 models
- 01-0033 **Keihin 13mm carburetors**
Fits: XR50 & CRF50, 00-03 models

01-0022 Keihin Cap

Mikuni Carburetor Caps

- 01-0023 Standard type cap for most Mikuni VM 26-34mm carbs
Used in some Motion Pro Yamaha throttle kits

01-0023 Mikuni Cap

01-0013 (G) Adjuster

01-0019 (K) Adapter

Universal Speedometer Cable Kits

01-0107 50" Speedo Cable Kit

01-0112 92" Speedo Cable Kit

- Offered in two lengths: 50" for standard applications and 92" for extended length applications
- Replaces most speedometer cable inner wire (0.125" dia.)
- Includes tips and tools to complete the procedure

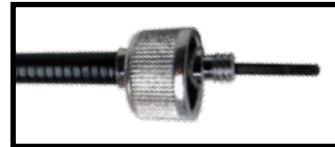

H.D. Speedo Cable Cross Reference

All Harley-Davidson speedometer cables fall into groups depending on upper and lower end fittings. In order to simplify the listing of these cables they are shown in sequence by type and length. If extra length is needed just order the longer length of the same group. By using this method we are able to reduce the number of part numbers. Listed are special purpose non O.E. type cables. Also shown are Armor Coat, Argent and Blackout cross referenced to the standard cables.

How we Measure Cables

Harley-Davidson® throttle cables for the 1996 and later models require a press-in fittings on the cables unlike the pre-1996 models which have the screw-in cable ends (see below). Although the measurement specifications for both types of cables are identical, please make sure to order the correct cable for your specific year and model. See the Harley-Davidson® section in this catalog for details.

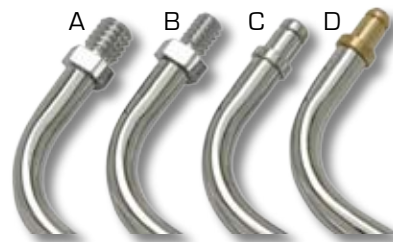

Elbow Angle Types

Elbow Fittings

- A. Pre 1996 Throttle 5/16 - 18 Threads per inch
- B. Pre 1996 Idle 1/4 - 20 Threads per inch
- C. 1996 and later throttle
- D. 1996 and later idle

The correct cable measurement is determined by the length of housing and the type of elbow or fitting located at the end of the cable. To determine the exact length of a cable, use the diagram above to confirm the correct location for measurement with each specific type of elbow or fitting. Do not combine the free length and housing length to determine overall cable length; these are separate and unique measurements.

Swivel head CHROME CABLE CLAMPS

- Unique two-piece design allows easy installation
- Swivel head design allows more natural cable routing without excessive binding
- Polished chrome finish and innovative single-bolt clamp gives a clean custom look
- Clamp kits available to fit 1", 1-1/8", 1-1/4", and 1-1/2" frame sizes in either single or dual cable holder configuration

Applications

- 1" clamps for after market frames and handle bar applications
- 1-1/8" clamps fit Sportster® models through 1981 and OEM 4-speed or Softail® frames
- 1-1/4" clamps fit all Sportster®, FXR and DynaGlide® from 1982 to present
- 1-1/2" clamps for custom frames

11-0041 Single Cable 1 1/4" [w/rubber sleeve] - 1 1/2" [w/o rubber sleeve]

11-0042 Dual Cable 1 1/4" [w/rubber sleeve] - 1 1/2" [w/o rubber sleeve]

11-0043 Single Cable 1" [w/rubber sleeve] - 1 1/8" [w/o rubber sleeve]

11-0044 Dual Cable 1" [w/rubber sleeve] - 1 1/8" [w/o rubber sleeve]

11-0049 Single Cable Holder 15/64", 9/32", 5/16" & 11/32"

11-0050 Dual Cable Holder 15/64", 9/32", 5/16" & 11/32"
