**Terms of Business:**

Motion Pro sells to authorized powersports distributors, powersports dealers, specialty manufacturers and retail consumers. We encourage retail consumers to purchase our products from their local powersports dealer where they can see an item before purchasing it, obtain necessary technical advice and information, save shipping charges, and obtain additional services that we cannot offer. We encourage powersports dealers to buy our products from one of our authorized distributors to get the lowest pricing and best terms. Our terms of sale to powersports dealers and retail consumers are FOB San Carlos, California and payment must be made by credit card or money order. We do not issue refunds or accept returns except in case of warranty where we have chosen to issue a refund instead of repair or replacement. Please call us if you cannot find the product you are looking for at your local dealer or favorite distributor. We accept orders by mail, email, telephone or fax from authorized account holders. Our staff is available during regular business hours (pacific standard time) to answer your technical questions or special application needs. For more information contact your dealer, visit us at www.motionpro.com or give us a call and one of our sales representatives will be happy to answer any questions you may have. Our office hours are 8:00am to 5:00pm PST, Monday through Friday.

Part Numbering:

All Motion Pro cables are individually packed in poly sleeves with a color-coded header card. Each color represents a specific brand or type of cable. Our part number and the type of cable is printed on each header card. In addition, the Motion Pro part number is embossed on each cable to ensure positive identification.

Returns:

Warranty claims must be made directly to Motion Pro, Inc. Please call the Motion Pro Warranty Department during regular business hours (M-F, 8-5 pm, PST) to obtain an RGA number before you return any product to Motion Pro. We will not accept product that is returned without a Motion Pro issued RGA number. After you obtain an RGA number, send the item along with a copy of your purchase receipt to Motion Pro Warranty Dept., 867 American Street, San Carlos, CA 94070. The RGA number must be clearly marked on the outside of the package. Please include a brief description of the problem, your full name, company name, address, and telephone number and email address. We cannot process warranty claims that are made with incomplete information or without a valid RGA number or purchase receipt. Warranties on Motion Pro products are applicable to the original purchaser only and are not transferable. Claimant is responsible for all freight charges to return product to Motion Pro. If upon inspection we find that the product was covered under the Motion Pro warranty for that product we will, at our choice, either repair or replace the item at no charge, freight prepaid. Unless specifically requested, we will not return product sent to us if we determine that the product is no longer covered under the applicable warranty or the damage was due to abuse or neglect. Claimant is responsible for freight charges to return product to claimant that is not covered under warranty. Motion Pro warranties are limited; see the "Warranty Limitations" for further information.

Warranty Limitations:

Limited Lifetime Warranty – Motion Pro products with a lifetime warranty are guaranteed against defects in materials or workmanship only and this guarantee is limited to repair or replacement of the product only and to the original purchaser only. FOOT NOTES

079 - For use with stock throttle bodies and Revolver throttle assembly only. **IMPORTANT** - The Revolver VR throttle does not have the starter and kill switch wiring or switches that are built into your stock throttle assembly. Use of the Revolver VR Throttle requires an aftermarket kill switch and starter button assembly (pn 11-0057) not included in kit. Revolver Kits have cables specifically designed for fitment on specific models, but the Revolver throttle itself is not model specific. Therefore, in some situations, the Revolver kit may not be a direct bolt on installation due to space limitations on the stock handlebar. In some installations, it may be necessary to move other control components on the stock handlebar, shorten the Revolver throttle tube and grip, install longer aftermarket handlebars, or possibly all of the above. It is up to the end user to determine the best method for fitment on their motorcycle, and ensure that the Revolver kit is installed properly and with the correct clearances for safe operation. Installation should be done by a qualified mechanic and carefully checked for proper function. **Warning:** Improper installation could result in great bodily injury or death. **096** - Off road revolver throttle kits require a minimum of 200 mm of handlebar length in order to provide sufficient clearance between Revolver throttle housing and hydraulic brake lever. **108** - Revolver Kits have cables specifically designed for fitment on specific models, but the Revolver throttle itself is not model specific. Therefore, in some situations, the Revolver kit may not be a direct bolt on installation due to space limitations on the stock handlebar. In some installations, it may be necessary to move other control components on the stock handlebar, shorten the Revolver throttle tube and grip, install longer after market handlebars, or possibly all of the above. It is up to the end user to determine the best method for fitment on their motorcycle, and ensure that the Revolver kit is installed properly and with the correct clearances for safe operation. Installation should be done by a qualified mechanic and carefully checked for proper function. **Warning:** Improper installation could result in great bodily injury or death.
