CABLES | THROTTLES | THROTTLE TUBES | THROTTLE KITS | LEVERS

MotionPro.com

**Terms of Business:**

Motion Pro sells to authorized powersports distributors, powersports dealers, specialty manufacturers and retail consumers. We encourage retail consumers to purchase our products from their local powersports dealer where they can see an item before purchasing it, obtain necessary technical advice and information, save shipping charges, and obtain additional services that we cannot offer. We encourage powersports dealers to buy our products from one of our authorized distributors to get the lowest pricing and best terms. Our terms of sale to powersports dealers and retail consumers are FOB San Carlos, California and payment must be made by credit card or money order. We do not issue refunds or accept returns except in case of warranty where we have chosen to issue a refund instead of repair or replacement. Please call us if you cannot find the product you are looking for at your local dealer or favorite distributor. We accept orders by mail, email, telephone or fax from authorized account holders. Our staff is available during regular business hours (pacific standard time) to answer your technical questions or special application needs. For more information contact your dealer, visit us at www.motionpro.com or give us a call and one of our sales representatives will be happy to answer any questions you may have. Our office hours are 8:00am to 5:00pm PST, Monday through Friday.

Part Numbering:

All Motion Pro cables are individually packed in poly sleeves with a color-coded header card. Each color represents a specific brand or type of cable. Our part number and the type of cable is printed on each header card. In addition, the Motion Pro part number is embossed on each cable to ensure positive identification.

Returns:

Warranty claims must be made directly to Motion Pro, Inc. Please call the Motion Pro Warranty Department during regular business hours (M-F, 8-5 pm, PST) to obtain an RGA number before you return any product to Motion Pro. We will not accept product that is returned without a Motion Pro issued RGA number. After you obtain an RGA number, send the item along with a copy of your purchase receipt to Motion Pro Warranty Dept., 867 American Street, San Carlos, CA 94070. The RGA number must be clearly marked on the outside of the package. Please include a brief description of the problem, your full name, company name, address, and telephone number and email address. We cannot process warranty claims that are made with incomplete information or without a valid RGA number or purchase receipt. Warranties on Motion Pro products are applicable to the original purchaser only and are not transferable. Claimant is responsible for all freight charges to return product to Motion Pro. If upon inspection we find that the product was covered under the Motion Pro warranty for that product we will, at our choice, either repair or replace the item at no charge, freight prepaid. Unless specifically requested, we will not return product sent to us if we determine that the product is no longer covered under the applicable warranty or the damage was due to abuse or neglect. Claimant is responsible for freight charges to return product to claimant that is not covered under warranty. Motion Pro warranties are limited; see the "Warranty Limitations" for further information.

Warranty Limitations:

Limited Lifetime Warranty – Motion Pro products with a lifetime warranty are guaranteed against defects in materials or workmanship only and this guarantee is limited to repair or replacement of the product only and to the original purchaser only. Call Motion Pro warranty department at 650-594-9600 to get an RGA number before returning product. Send product back to Motion Pro Warranty Department, 867 American Street, San Carlos, CA 94070 for inspection with RGA number clearly noted on outside of box or in letter inside box. Include note with product clearly stating claimed defect, proof of purchase, and your contact information. Motion Pro reserves the right to inspect and determine if a product is defective and that product was not subject to misuse. Above is the customer's exclusive remedy. The above is expressly in lieu of all other warranties expressed or implied and of all other obligations or liabilities. In no event shall Motion Pro, Inc. be liable for any incidental or consequential damages arising from the breach of any warranties, improper use, the failure to deliver, delay in delivery, delivery of non conforming parts or any other breach of contract or duty.

Limited One Year Limited Warranty – Motion Pro products with a one year limited warranty are guaranteed against defects in materials or workmanship only for one year from the date of purchase and this guarantee is limited to repair or replacement of the product only and to the original purchaser only. Call Motion Pro warranty department at 650-594-9600 to get an RGA number before returning product. Send product back to Motion Pro Warranty Department, 867 American Street, San Carlos, CA 94070 for inspection with RGA number clearly noted on outside of box or in letter inside box. Include note with product clearly stating claimed defect, proof of purchase, and your contact information. Motion Pro reserves the right to inspect and determine if a product is defective and that product was not subject to misuse. Above is the customer's exclusive remedy. The above is expressly in lieu of all other warranties expressed or implied and of all other obligations or liabilities. In no event shall Motion Pro, Inc. be liable for any incidental or consequential damages arising from the breach of any warranties, improper use, the failure to deliver, delay in delivery, delivery of non conforming parts or any other breach of contract or duty.

Back Orders:

All back orders should be confirmed directly with your distributor.

Motion Pro Inc.

Reserves the right to change any and all prices without notice. Brand Names: The name of, Kawasaki and other brands, as well as part numbers are used as a reference only. Our intention is that our products can be used on your customers brand-name vehicles. No products in our catalog are made by or with the permission of Kawasaki or any other company that manufactures a vehicle our parts may be used on.

FOOT NOTE

079 - For use with stock throttle bodies and Revolver throttle assembly only. **IMPORTANT** - The Revolver VR throttle does not have the starter and kill switch wiring or switches that are built into your stock throttle assembly. Use of the Revolver VR Throttle requires an aftermarket kill switch and starter button assembly (pn 11-0057) not included in kit. Revolver Kits have cables specifically designed for fitment on specific models, but the Revolver throttle itself is not model specific. Therefore, in some situations, the Revolver kit may not be a direct bolt on installation due to space limitations on the stock handlebar. In some installations, it may be necessary to move other control components on the stock handlebar, shorten the Revolver throttle tube and grip, install longer aftermarket handlebars, or possibly all of the above. It is up to the end user to determine the best method for fitment on their motorcycle, and ensure that the Revolver kit is installed properly and with the correct clearances for safe operation. Installation should be done by a qualified mechanic and carefully checked for proper function. Warning: Improper installation could result in great bodily injury or death.

FOOT NOTE

079 - For use with stock throttle bodies and Revolver throttle assembly only. **IMPORTANT** - The Revolver VR throttle does not have the starter and kill switch wiring or switches that are built into your stock throttle assembly. Use of the Revolver VR Throttle requires an aftermarket kill switch and starter button assembly (pn 11-0057) not included in kit. Revolver Kits have cables specifically designed for fitment on specific models, but the Revolver throttle itself is not model specific. Therefore, in some situations, the Revolver kit may not be a direct bolt on installation due to space limitations on the stock handlebar. In some installations, it may be necessary to move other control components on the stock handlebar, shorten the Revolver throttle tube and grip, install longer aftermarket handlebars, or possibly all of the above. It is up to the end user to determine the best method for fitment on their motorcycle, and ensure that the Revolver kit is installed properly and with the correct clearances for safe operation. Installation should be done by a qualified mechanic and carefully checked for proper function. Warning: Improper installation could result in great bodily injury or death.

091 - For use with stock throttle bodies. Stock reel is .33.4 mm. **IMPORTANT** - The stock twist throttle assembly on this model incorporates an on/off switch, mode switch, and starter button. The Motion Pro 11-0057 accessory switch only has an on/off switch and starter button, and cannot be used to replace the original switching functions on the stock throttle assembly. In order to install the Revolver VR kit and retain all the necessary switching functions, owners of this model will need to install longer aftermarket handlebars (at least 50 mm longer than stock on the right side) and use the stock throttle assembly mounted behind the Revolver VR throttle housing. The stock twist throttle assembly can be modified to remove the throttle reel holder portion and leave just the necessary switches. This modification makes it narrower and uses less space on the handlebar. Revolver Kits have cables specifically designed for fitment on specific models, but the Revolver throttle itself is not model specific. Therefore, in some situations, the Revolver kit may not be a direct bolt on installation due to space limitations on the stock handlebar. In some installations, it may be necessary to move other control components on the stock handlebar, shorten the Revolver throttle tube and grip, install longer aftermarket handlebars, or possibly all of the above. It is up to the end user to determine the best method for fitment on their motorcycle, and ensure that the Revolver kit is installed properly and with the correct clearances for safe operation. Installation should be done by a qualified mechanic and carefully checked for proper function. Warning: Improper installation could result in great bodily injury or death.
